

INTERNATIONALIZING THE ACADEMIC STANDARDS: INDIANA

2021 (2nd Edition)

General Information

Acknowledgements

Internationalizing the Academic Standards: Indiana 2021 (2nd edition) was directed by a partnership of the Indiana University Center for the Study of Global Change and the Indiana Department of Education Division of K-16 Curriculum.

We gratefully acknowledge the funding, other support, and/or content from Title VI of the Higher Education Act administered by the International and Foreign Language Education office of the United States Department of Education, the Longview Foundation for Education in World Affairs and International Understanding, and Indiana University's Hamilton Lugar School of Global and International Studies, Kelley School of Business, and the world area, global, and international business Centers.

We especially acknowledge the work of 63 K-12 teachers from 38 different schools and two school corporations in 21 cities/towns/counties across Indiana (and five other educators) who contributed their time, creativity, and belief in the need to teach our children—future citizens and leaders—about their world.
