\*Positions held when working on IASI project.

For *Internationalizing the Academic Standards: Indiana 2021* (2<sup>nd</sup> edition) and/or 2011 (1<sup>st</sup> edition), each teacher listed below provided the project with critical guidance and/or authored valuable *Suggestions* about how to integrate international content into one or more of Indiana's K-12 academic standards for her or his respective discipline, grade level(s), or content area(s). Some teachers also provided examples and resources. We are most grateful for the enormous time, effort, and creativity that each of them committed to this project. Indiana students—citizens and leaders of the 21<sup>st</sup> century—are the beneficiaries.
