Web Sites

U.S. Academic Centers

Academic Consortium on International Trade

<http://www.fordschool.umich.edu/rsie/acit/>

The site for the Academic Consortium on International Trade (ACIT) is a collection of free, full-text writings by scholars and commentators on international trade policy and international economic law. Papers are categorized broadly by topic, then by author perspective (pro, con, neutral). The steering committee for the ACIT consists of academic economists and lawyers from the University of Michigan, University of Wisconsin, Columbia University, and Yale University.

The Berkeley Roundtable on the International Economy

<http://brie.berkeley.edu/%7Ebriewww/>

Affiliated with University of California at Berkeley, the Berkeley Roundtable on the International Economy (BRIE) website offers free full-text papers, newsletters, annual reports, and articles generated by the organization. Current research interests include: the impact of information and communication technology on European and American economies and societies and their interactions, electronic commerce, and U.S.-China-Japan relations.

Center for Economic Policy Analysis (CEPA)

<http://www.newschool.edu/cepa/index.htm>

A New School University based center, CEPA offers working papers and research briefs on economic policy—many of which pertain to globalization. Current and archived editions of the center's electronic newsletter are also free to download, with many articles about globalization.

Center for Globalization and Policy Research

<http://www.spsr.ucla.edu/cgpr/overview.htm>

A University of California Los Angeles based center, this resource features free full-text scholarly working papers on globalization topics including finance, labor, social policies, and environmental impact. A related site devoted to globalization issues pertaining to Africa is also featured.

Center for Global, International, and Regional Studies (CGIRS)

<http://www2.ucsc.edu/cgirs/index.html>

Located at the University of California, Santa Cruz, CGIRS pursues research among the following areas: civil society and social movements; global economics; global environment and development; regions and networks; and globalization, states and regulations. Each area contains a description and free full-text working papers.

Center for International Development

<http://www.cid.harvard.edu/cidinformation/>

Home of the Center of International Development (CID), a Harvard organization interested in cross-disciplinary research pertaining to sustainable international development. The site includes research data sets, free full-text discussion papers from Intergovernmental Group of Twenty-Four on International Monetary Affairs (G-24), the Consulting Assistance on Economic Reform program (CAER II), and the CID.

Center for the Study of Global Change

<http://www.indiana.edu/~global/>

An Indiana University based center, the Center for the Study of Global Change sponsors a variety of educational and research projects pertaining to global issues including the effects of social transformation, impact of power, and the growing influence of nationalism and movements of cultural identity. Many international resources are available, such as "Access International" WWW links for vital information on world nations, research guides and working papers for purchase, and a unique international scholarly video conferencing directory (GIANT).

Colorado University Globalization and Democracy Research: “Responding to Globalization”

<http://www.colorado.edu/IBS/PEC/gadconf/>

Site for GAD conference held in April 2002. Free full-text papers from presenters at the conference are available to download.

Dante B. Fascell North-South Center

<http://www.miami.edu/nsc/index.html>

The Dante B. Fascell North-South Center at the University of Miami is a public policy studies center with special emphasis on global policies in the Western Hemisphere. Topics of research include trade and economic policy, migration, democratic governance, security, corruption, the environment, and information technology. Working papers and policy reports are freely available to download. Also featured are materials from a three-part conference series on Columbia

G.W. Center for the Study of Globalization

<http://www.gwu.edu/%7Egwcsg/index.htm>

Based at George Washington University, this site offers full-text discussion papers, reports, conference transcripts, and articles related to globalization. Signature projects include: Globalization and Convergence, Global Financing and Investment, and Globalization and Information Technology. Also featured is an ongoing report on protesting globalization and an occasional paper series.

Global Trade Negotiations Home Page

<http://www.cid.harvard.edu/cidtrade/index.html>

A comprehensive academic resource produced by the Center for International Development at Harvard University. The site serves as a centralized information resource on global trade negotiations, with links to free full-text articles and papers, news, and other electronic resources pertaining to global trade negotiations and the multilateral trade system.

globalEDGE

<http://globaledge.msu.edu/>

globalEDGE is a comprehensive resource for global business information and research hosted by the Broad College of Business at Michigan State University. globalEDGE offers full-text scholarly discussion papers, webcasts, breaking global news and special reports, online discussion forum. This site also features vital facts, breaking news, maps, and electronic resources for over 190 countries.

Globalization Research Center at the University of Hawaii at Manoa

<http://www.globalhawaii.org/home.html>

Emphasizing globalization issues pertaining to the Asia-Pacific region, the GRC offers free full-text articles, essays, and papers. An online discussion forum is available, as well as a list of online globalization resources. Users must search for papers and links through a search engine, rather than a directory.

Globalization Research Center at the University of South Florida

<http://www.cas.usf.edu/GlobalResearch/>

The Globalization Research Center at USF focuses on three areas related to globalization: water, health, and development—particularly with regard to their impact in Latin America and the Caribbean. The GRC also investigates “the nexus of all three of these areas vis a vis ecotourism and biodiversity.” Explanatory articles and working definitions of globalization are included, as well as research briefs of the GRC’s projects.

Globalization Research Network

<http://www.globalgrn.org/>

The Globalization Research Network is a collective of four academic centers pursuing globalization research: the University of Hawaii at Manoa, the University of South Florida, the University of California at Los Angeles, and the George Washington University. Each university conducts research on their own assigned areas of expertise and collaborates on research projects and public education activities. Some free full-text papers and articles are available within specific projects, as well as general explanatory articles about globalization.

The Globalization Website

Hosted by Emory University, this site provides essential content regarding globalization such as key terms, major principles and issues, biographical sketches of key actors, and book reviews of recent publications. Much of the content is oriented towards the social sciences.

Group of 24 Research Program

<http://ksghome.harvard.edu/~drodrik.academic.ksg/G24Papers.htm>

Coordinated by Professor Dani Rodrik of the John F. Kennedy School of Government at Harvard University, the Group of 24 Research Program is a collection of discussion papers prepared under the research program of the Intergovernmental Group of Twenty-Four on International Monetary Affairs (G-24). Papers are free to download.

Institute for International Studies (IIS)

<http://iis.stanford.edu/>

The IIS consists of five major research centers based at Stanford University: Asia/Pacific; Democracy, Development and the Rule of Law; Environmental Science and Policy; Health Policy; and International Security and Cooperation. Each center offers free full-text papers, news, and events. Also available are lecture transcripts and op-eds by IIS faculty and members.

Institute for Research on World Systems (IROWS)

<http://irows.ucr.edu/>

IROWS is based at the University of California, Riverside and pursues “comparative research on the rise and fall of civilizations, long-term processes of globalization and climate change.” Research projects include “Trajectories and causes of structural globalization: 1800-2000,” urbanization and empire formation, and formation and integration of global elites. Some working papers are freely available to download, as well as project briefs and conference papers.

International Political Economy Network

<http://csf.colorado.edu/ipe/>

Home of two Internet projects hosted by Communications for a Sustainable Future at Colorado University: IPENet and Electronic Resource Initiatives. IPENet is an email discussion list of students, scholars, activists, and others from more than 40 countries. The Electronic Resource Initiative is a collection of archived electronic documents retrievable through the WWW or ftp obtained by searching geographically or thematically.

New Global History

<http://web.mit.edu/newglobalhistory/>

An initiative based at the Massachusetts Institute of Technology, the New Global History “seeks to encourage both theorizing and the carrying out of empirical research concerning the processes of globalization” through both a historical and a transcultural perspective. Free full-text articles are available, as well as a bibliography with full-text reviews.

UC Atlas of Global Inequality

<http://ucatlas.ucsc.edu/>

Hosted by the University of California, Santa Cruz, the UC Atlas of Global Inequality provides freely downloadable maps and graphics that depict global inequalities pertaining to health, development, economics, and other issues. Teaching guides and activities are also featured.

UCLA Globalization Research Center—Africa

<http://www.globalization-africa.org/index.php>

Hosted by the University of California Los Angeles, this site features research and current news related to Africa and globalization. Also included are working papers and annotated bibliographies from various projects completed by the center.

World Policy Institute

<http://worldpolicy.org/>

Affiliated with New School University, the World Policy Institute site offers limited full-text access to their online journal, *World Policy Journal*, online discussion of world events, and archived web casts of lectures and events.

Non-U.S. Academic Centers

Association of Concerned African Scholars

<http://acas.prairienet.org/>

Current articles, reports, and discussion papers related to U.S. policy and scholarly communication with African nations, freely available by scholars and students of Africa. Also featured on the site are opportunities for action on U.S./African issues.

CSERGE: Centre for Social and Economic Research on the Global Environment

<http://www.uea.ac.uk/env/cserge/>

CSERGE is based at the University of East Anglia that specializes in interdisciplinary research on global environmental policies and issues. Some topics of research are: management of natural resources; governance for sustainability; waste and energy management; environmental valuation; social resilience, justice, and equity; risk assessment; institutional analysis; and sustainable consumption. A working papers series is free to download.

Centre for Global Studies

<http://www.globalcentres.org/>

Based at the University of Victoria the CGS performs “collaborative, policy-oriented inquiry into the impacts of globalization on a broad spectrum of inter-related issues encompassing international governance and finance, the environment, security, and sustainable development.” The Centre focuses on issues in the three thematic areas of sustainability, security and governance. Globalization news, journal articles, research projects, and publication abstracts are freely available on the site.

Centre for the Study of Globalisation and Regionalisation

<http://www.warwick.ac.uk/fac/soc/CSGR/>

Hosted by the University of Warwick, the Centre for the Study of Globalisation and Regionalisation aims to define and explain globalization and comprehensively deal with globalization and its linkages with regionalization. This site features a working paper series, “hot topics” full-text papers, and previews of forthcoming publications.

Development Economics Research Group

<http://www.econ.ku.dk/DERG/>

Hosted by the University of Copenhagen, DERG is a Danish network of economists with a research interest in development economics. Topics include: developing countries in the global economy; national economic development policies; agriculture, environment and resource utilization; theory of development economics; poverty and food security; and aid policy. An extensive bibliography of DERG books, PhD dissertations, working papers, and articles is featured with a limited number available to freely download.

Eldis Globalisation Resource Guide

<http://www.eldis.org/globalisation/index.htm>

Directory of free online full-text documents related to globalization indexed and annotated by Eldis, an online resource hosted by the Institute of Development Studies, University of Sussex. Document types include research reports, working papers, discussion papers, conference papers, statistics, case studies, and policy briefings.

G.E.P.: The Leverhulme Centre for Research on Globalisation and Economic Policy

<http://www.nottingham.ac.uk/economics/leverhulme/>

A University of Nottingham based center, the GEP’s research is structured around three main issues: globalization and labor Markets, the internationalization of economic policy, and globalization, productivity and technology. Research papers are archived and free to download. Transcripts, presentations, and summaries of lectures and conferences are also available.

Globalization and Poverty (GAP) Research Program

<http://www.gapresearch.org/index.html>

Directed from the Institute of Development Studies at the University of Sussex, GAP is a three year program (2000-2003) of research conducting research under three themes: production, trade and labor markets; capital flows, investment and dept; and global governance and institutions. Free pdf files of working papers, briefs, and executive summaries of projects are available, as well as related links and other electronic resources.

Institute of Development Studies Research Globalisation

<http://www.ids.ac.uk/ids/global/index.html>

Papers, research projects, agendas, and policy analysis generated by the Globalisation Research Team from the Institute of Development Studies, University of Sussex. Topics include “Corporate Responsibility for Development,” “Global-Local Governance,” and “Trade Liberalisation and Poverty.” Many papers are freely available in pdf files.

Institute on Globalization and the Human Condition

<http://www.humanities.mcmaster.ca/~global/home.htm>

The IGHC is a McMaster University-based institute comprised of thirty social science and humanities scholars. This site features free full-text working papers, bibliographies, and research opportunities on such topics as general globalization theory, historical antecedents, nationalism, globalization and autonomy, and human rights.

RMIT Globalism Institute

<http://www.rmit.edu.au/GLOBALISM>

Institute based at Royal Melbourne Institute of Technology “undertakes engaged research into globalisation, transnationalism, nationalism and cultural diversity...with an emphasis on the cultural implications of political and economic transformation.” Free full-text articles, papers, speeches, etc. by RMIT scholars are available to download.

Institutes and Centers

The Brookings Institution – Global Economics

http://www.brookings.edu/data/brookings_taxonomy.xml?taxonomy=Economics,%20Global

Resources on this site include free full-text journal and newspaper articles, policy briefs, and transcriptions from Brookings events. Topics include issues pertaining to development economics, international trade, global governance, international macroeconomics, and regional and country studies. Users may search by topic or scholar.

The Brookings Institution – Global Politics

http://www.brookings.edu/data/brookings_taxonomy.xml?taxonomy=Politics,%20Global

Resources on this site include free full-text journal and newspaper articles, policy briefs, and transcriptions from Brookings events. Topics include issues pertaining to the European Union, humanitarian issues and human rights, international organizations, policy issues, regional and country studies, terrorism, U.S. policymaking process, and weapons of mass destruction. Users may search by topic or scholar.

Center for International Policy

<http://www.ciponline.org/>

CIP is a Washington, D.C. based center that promotes a U.S. foreign policy “based on international cooperation, demilitarization and respect for basic human rights,” with an interest in security in south and northeast Asia, illegal financial flows, and to increase citizen participation in Central America. News articles, commentary, conference papers and transcripts, and formal reports are available.

Centre for Research on Globalisation

<http://globalresearch.ca/>

Based in Montreal, the Centre for Research on Globalisation (CRG) is an independent research and media group which focuses on the effects of globalization. News articles, commentary, background research and analysis on a broad range of issues are freely available. Video clips, photo galleries, and archived articles are available by subject.

Council on Foreign Relations

<http://www.cfr.org/>

Council on Foreign Relations, a New York-based nonpartisan think tank, offers free full-text articles, papers, op-eds, interviews, transcripts, and online journal, The Source. The site also features a calendar of world events and poll data from the Pew Research Center for the People and the Press.

Economic Policy Institute

<http://www.epinet.org/>

The Economic Policy Institute is a “nonprofit, nonpartisan think tank that seeks to broaden the public debate about strategies to achieve a prosperous and fair economy.” This site offers free full-text articles and papers about trade and globalization, as well as publications for purchase.

Focus on the Global South

<http://www.focusweb.org/>

Bangkok based Focus on the Global South “strives to create a distinct and cogent link between development at the grassroots and the ‘macro’ levels.” Primary emphasis is given to the Asian-Pacific South, although the whole global south is within its interests. Free articles and papers are available to download.

Foreign Policy in Focus: Globalization in Focus

<http://www.foreignpolicy-infocus.org/global/index.html>

An international network of policy analysts and advocates, the FPIF is a collaborative project of the Interhemispheric Resource Center (IRC) and the Institute for Policy Studies (IPS).

Free full-text articles and reports generated by the organization are available as well as current news items related to globalization. Topics include WTO, citizen-based global affairs agendas, and North-South dialogue, and global justice.

Globalization Research Center

<http://www.cio.com/research/global/>

From an online version of CIO magazine, this site includes statistics, white papers, and articles written for chief information officers involved in an organization that wishes to become a global operation. Most of the articles are free, full-text.

Institute for International Economics

<http://www.iie.com/homepage.htm>

Washington, D.C. based Institute for International Economics is a “private, nonprofit, nonpartisan research institution devoted to the study of international economic policy.” The site includes free full-text articles, papers, and speeches on current issues such as the Argentina financial crisis, contagion in Latin America, and Japan’s economic situation. Research areas specific to globalization include environment, labor, migration, politics, and other issues.

International Centre for Trade and Sustainable Development

<http://www.ictsd.org/>

Based in Geneva, the International Centre for Trade and Sustainable Development (ICTSD), an independent not-for-profit non-governmental organization, seeks to serve as a “provider of original, non-partisan reporting and facilitation services at the intersection of international trade and sustainable development.” Articles and briefs are freely available.

Government and Governing Bodies

Department for International Development

<http://www.dfid.gov.uk/>

DFID is a department of the British government “responsible for promoting sustainable development and reducing poverty” with a specific interest in sub-Saharan Africa, Asia, Latin America, and Eastern Europe. This site offers free full-text consultation papers, transcripts of speeches, and news items generated by or pertaining to the DFID.

Foreign Trade Statistics

<http://www.census.gov/foreign-trade/www/>

Produced by the U.S. Census Bureau, this site contains free information regarding trade statistics and regulations. Free, full-text reports and census updates are also available.

Free Trade Area of the Americas

http://www.ftaa-alca.org/alca_e.asp

Official home page of the Free Trade Area of the Americas (FTAA) process. The site hosts free documents from the FTAA process initiated in the 1994 Summit of the Americas.

International Trade Administration

<http://www.ita.doc.gov/>

Official home page for the International Trade Administration, a government office that supports American businesses participating in international trade. The site hosts much information about international trade rules, economic snapshot of various countries, trade statistics, and much more. Most of the information is free and available in full-text.

NAFTA Secretariat

<http://www.nafta-sec-alena.org/>

Official site of the NAFTA Secretariat, a trilateral organization concerned with the administration of the dispute settlement provisions of NAFTA. Free, full-text reports, rosters, and other publications are available.

Office of the United States Trade Representative

<http://www.ustr.gov/>

Official site of the U.S. Trade Representative, headed by Robert B. Zoellick. The site includes current news regarding the activities of Zoellick and other major global organizations such as the WTO. Reports and information about trade and the environment, world regions, monitoring and enforcement, and the WTO and multilateral affairs. Also featured are speeches, testimony, and press releases from the USTR.

UN Global Compact

<http://www.unglobalcompact.org/Portal/>

A compact introduced by Secretary-General Kofi Annan designed to promote good corporate global citizenship and cooperation between the U.N. and corporations. Free full-text articles, papers and speeches pertaining to the Global Compact. Also featured is a list of participating companies and information about Global Compact outreach and networks.

UNESCO: Management of Social Transformations (MOST): Globalisation and Governance

<http://www.unesco.org/most/most3.htm>

A clearinghouse of international, comparative, and policy-relevant research, MOST offers free full-text discussion papers, policy papers, training materials, and articles related to globalization issues. There is an extensive article regarding the UN's role in globalization. A bibliography is also included on the topics of global, local, and sound governance, respectively. Conference papers and summaries are available, as well as a calendar of conferences and events pertaining to global governance and globalization.

United States International Trade Commission

<http://www.usitc.gov/>

This official site for the United States International Trade Commission provides updated news regarding the commission's activity, press releases, free reports and publications, and several interactive databases that are freely available to the general public.

World Trade Organization

<http://www.wto.org/>

Home of the World Trade Organization, an international organization dealing with the global rules of trade among nations based in Geneva. Resources include: history and mission of the WTO, organizational structure, news, free full-text documents, publications, statistics, and analysis.

Trade and Financial Organizations

Asia-Pacific Economic Cooperation

<http://www.apecsec.org.sg/>

Home of the Asia-Pacific Economic Cooperation (APEC), an organization of twenty-one member countries participating and facilitating trade, economic growth, and expansion in the Asia-Pacific region. This site offers free and for purchase documents regarding the APEC's activities.

Business Partners for Development

<http://www.bpdweb.org/>

This resource contains free full-text reports of 30 research projects conducted by Business Partners for Development (an initiative of the World Bank), with the aim of supporting and promoting partnerships between business, civil society, and government. Primary focus is given to natural resources, water and sanitation, global partnership for youth development, and global road safety. While the initiative officially ended in 2001, leaders of major clusters continue their work and post to the BPD site.

Organisation for Economic Cooperation and Development

<http://www.oecd.org/EN/home/0,,EN-home-0-nodirectorate-no-no-no-0,00.html>

Home of Paris-based Organisation for Economic Cooperation and Development (OECD), an organization with thirty member countries best known for its publications and its statistics covering global economic and social issues. Site includes many free publications and statistics.

World Bank Group: Globalization

<http://www1.worldbank.org/economicpolicy/globalization/>

A comprehensive resource which includes: free pdf working papers, briefs, essays; online discussion forum; data and statistics of foreign direct investment, international capital flows, and international trade; PowerPoint presentations. There is also a separate, related research site linked to the aforementioned site with further resources with more current working papers, briefs, data sets and summaries, and abstracts of current research: (<http://econ.worldbank.org/topic.php?topic=2231>)

News and Electronic Journals

Corporate Watch

<http://www.corpwatch.org/>

A free online journal, Corporate Watch “counters corporate-led globalization through education, network-building and activism.” Articles from a variety of online journals and original articles are included on this site. Also featured are research guides, an issue library, and opportunities for activism.

Foreign Policy

<http://www.foreignpolicy.com/index.php>

Foreign Policy is an electronic version of a journal of the same title which focuses on “global politics, economics, and ideas.” Resources available on the site include access to select articles from the current issue, breaking global news, country data from the CIA World Fact Book, and a comprehensive list of links related to foreign policy.

Global Networks

<http://www.globalnetworksjournal.com>

Peer-reviewed electronic journal “devoted to the social scientific understanding of globalization and transnationalism.” Features include political economy of global networks, transnational and inter-governmental governance, network theories, and more. Fee-based, subscription only.

Globalisation - BBC World Service

<http://www.bbc.co.uk/worldservice/programmes/globalisation/>

Investigative reports on topics pertaining to globalization by BBC reporters. Topics include: multinational corporations, the fast food industry, and the music industry.

The Globalist

<http://www.theglobalist.com/>

Free electronic journal with articles about globalization and its relationship to children, culture, development, health, women, and other factors. One new feature is presented each day; articles are archived. The Globalist also hosts a non-partisan think-tank: the Globalist Research Center.

globalization.com

<http://www.globalization.com/index.cfm>

This site is a portal for news, white papers, job opportunities, and other information pertaining to globalization, internationalization, localization, and translation. Some free full-text information is available, other publications are for purchase.

Journal of World-Systems Research

<http://csf.colorado.edu/jwsr/>

Journal of World-Systems Research is a free electronic journal sponsored by the Institute for Research on World-Systems at the University of California, Riverside and Center for Global, International, and Regional Studies at the University of California, Santa Cruz. The editors encourage a variety of theoretical stances including civilizationists, evolutionary approaches, international political economy; comparative, historical and cultural analysis. Archived are also freely retrievable. A special issue on globalization is featured.

Multinational Monitor

<http://multinationalmonitor.org/monitor.html>

The *Multinational Monitor* is a free electronic monthly magazine devoted primarily to examining the activities of multinational companies. The magazine also covers issues involving labor, the environment, corporate crime, multilateral banks and development.

OneWorld.net

<http://www.oneworld.net/article/frontpage/10/3>

Online news source featuring breaking news and views from over 1500 international organizations working for human rights and sustainable development. News and reports are organized under three major campaigns: climate change, corporate accountability, and trade justice. Full coverage is devoted to the following: development, economy, environment, health human rights, information and media, politics, and war and peace. Country guides are also available which include vital statistics and pertinent news and articles.

YaleGlobal Online Magazine

<http://yaleglobal.yale.edu/index.jsp>

Free electronic publication of the Yale Center for the Study of Globalization. This site features free full-text articles, papers, news, and book excerpts on topics related to globalization such as economy, gender, environment labor, health, and more. Information is also divided by global regions (Africa, Americas, etc.) Multi-media presentations are also included on the site.

Activism and International Organizations

C.E.C.: Commission for Environmental Cooperation

<http://www.cec.org/home/index.cfm?varlan=english>

Based in Montreal, the CEC is an international organization created under the North American Agreement on Environmental Cooperation, with representatives from Canada, Mexico, and the United States, interested in regional environmental concerns, prevention of trade and environmental conflicts, and enforcement of environmental law. The site offers breaking environmental news, calendar of key events, grant information, and free full-text articles and reports.

Citizens' Network on Essential Services

<http://www.challengeglobalization.org/>

Based in Tacoma Park, Maryland, the Citizens' Network on Essential Services supports citizen groups in developing and transitional countries that endeavor to influence policy decisions regarding essential services. Full-text articles largely written by members of CNES appear on a range of issues pertaining to globalization and its effects on essential services.

Commission on Globalisation

<http://www.commissiononglobalization.org/>

A network of global leaders, the Commission on Globalisation was founded after State of the World Forum 2000, convened September 4-10, 2000 in New York. This site features upcoming events, white papers, conference summaries, reports, and news items related to commission members.

Friends of the Earth

<http://www.foe.org/>

An international network of grassroots organizations, Friends of the Earth offers free full-text policy briefs, press releases, editorials, data sheets, and news items regarding environmental issues, legislation, and policy. Topics include: health, economic policy, climate change, IMF, GE food, and corporate accountability.

Global Policy Network

<http://www.gpn.org/>

The Global Policy Network (GPN) "provides information to the general public on the state of working people in the global economy." This site offers free country reports with statistics and labor analysis, articles, and papers about global market issues.

Globalization and Human Rights

<http://www.pbs.org/globalization/home.html>

Site of a PBS special *Globalization and Human Rights*. Users may view full-text transcripts as well as complete interviews with people including Thabo Mbeki, Ralph Nader, and Newt Gingrich.

Globalize This

<http://sept.globalizethis.org/>

A site for activists pursuing anti-globalization issues sponsored by Mobilization for Global Justice. Users may download legal information, posters, contacts, research and fact sheets, and current anti-globalization activist events.

International Forum on Globalization

<http://www.ifg.org/contact.htm>

Based in San Francisco, the International Forum on Globalization (IFG) is comprised of sixty leading activists, scholars, economists, researchers and writers representing over 60 organizations in 25 countries. Full-text analysis of the WTO, IMF, and the UN is available as well as books for purchase.

Open Democracy-Globalisation

<http://www.opendemocracy.net/globalisation/index.jsp>

On-line forum for papers, articles, and opinions regarding globalization. This site features topics such as world summits, politics of protest, institutions and government, trade, migration, and corporate responsibility. The user may be required to subscribe in order to download certain documents.

Public Citizen: Global Trade Watch

<http://www.citizen.org/trade/index.cfm>

Global Trade Watch is a division of Public Citizen, a progressive organization founded by Ralph Nader, which promotes a public interest perspective on globalization issues, including “implications for our food, health and safety, environmental protection, economic justice, and democratic, accountable governance.” Free full-text articles, papers, and reports generated by the GTW are available. Reports include cross-indexed articles, commentaries, and reports on related topics.

Third World Network

<http://www.twinside.org.sg/>

The Third World Network is an “independent non-profit international network of organizations and individuals involved in issues relating to development, the Third World and North- South issues. “ Free full-text articles and papers about global trade, governance, environmental, health and labor issues are featured.

Transnational Foundation for Peace and Future Research

<http://www.transnational.org/tff/index.html>

Based in Lund, Sweden, the Transnational Foundation for Peace and Future Research offers free full-text articles, papers, commentary, and news items on international peace initiatives and issues. Also available are archived editions of the foundation’s online journal, *The Meeting Point*.

Whirled Bank Group

<http://www.whirledbank.org/>

Created and maintained by the Institute of Equity, Ecology, Humor and Art, the Whirled Bank Group site offers articles and fact sheets related to the effect of World Bank policies on global society—particularly as it relates to the environment and development. Globalization activist events and links are also featured on the site.

The World Bank

<http://www.worldbank.org>

A parody of the World Bank site, the World Bank offers full-text articles, essays, and papers critiquing the work of the World Bank. This site is maintained by Montreal-based Social Justice Committee.

Globalization Journals and Special Issues

- Special issue devoted to globalization and related topics
- Journal regularly publishes articles on globalization, in addition to any special issues
- ★ Note on Full Text availability: Numbers in parentheses reflect the number of months of a publisher's embargo, if any. i.e, (6m) reflects a 6 month embargo.

Dir. Lynn Corcoran. 65 minutes. Bullfrog Films, 1996.

Investigates the environmental impact of factories that have been built in Mexico at the US-Mexico border by multinational corporations.

Boundaries of Change.

Dir. Michael Simpson. 26 minutes. Bullfrog Films, 1997.

From *Ways We Live: Exploring Community* Series. Richmond, VA copes with a recent wave of Asian immigration, accepting change while retaining community.

Chain of Love.

Dir. Marije Meerman. 50 minutes. First Run Icarus Films, 2001.

Examines the export of Philippine caregivers to the West. Their remittances are the Philippines' largest source of income in foreign currency.

China: Unleashing the Dragon.

200 minutes. First Run Icarus Films, 1995.

4-part documentary chronicling economic transformation in China.

City Life: A Series about Globalization.

Series Producer: Luke Gawin. 22 27-minute episodes. Bullfrog Films, 2001.

Series examines globalization's effects on cities and their inhabitants.

Episodes: *City Life*-explores Sao Paolo, Brazil. *Long March*-a Chengdu community organizes to clean a polluted river. *Health Protesters*-demand for global universal health care at a convention in Dhaka. *Together Against Violence*-Jamaican community overcomes violence. *Paradise Domain*-Pacific Islands not benefiting from the WWW. *Pavements of Gold*-poverty and population increase threatens Peru. *Doing the Right Thing*-Porto Alegre Brazil undergoes urban revitalization. *My Mother Built This House*-homeless South Africans organize to build houses. *Barcelona Blueprint*-Barcelona's model of sustainable urban planning. *Gaza under Siege*-Gaza Strip and the Palestinians. *Waiting to Go*-Palestinian refugees in Lebanon are denied human rights. *A Fistful of Rice*-protein deficiency in Nepal. *Patently Obvious*-international patent regulations protect only multinational corporations. *The Other Side*-the cultural cost of Mexican attempts to cross the U.S. border. *The Miller's Tale: Bread Is Life*-iron-fortified flour combats malnutrition in Egypt and Yemen. *Brazil: Winning Against AIDS*-generic antiretroviral drugs developed in Brazil. *Missing Out*-anemia threatens Niger and Tanzania. *Stop the Traffick*-child sex industry in Cambodia. *My Hanoi*-effects of rapid urbanization on citizens and culture of Hanoi. *Lines in the Dust*-gender challenges and adult literacy in Northern Ghana and India. *Paying the Price*-pharmaceutical companies deny drugs to African AIDS-sufferers. *Holy Smoke: Cambodians Fight Tobacco*-monks lead anti-tobacco campaign.

Deadly Embrace: Nicaragua, the World Bank and the International Monetary Fund.

Dir. Elizabeth Canner for the Nicaragua Education Fund. 28 minutes. Compas de la Primavera, 1997.

Personal stories of the Nicaraguan people demonstrate the impact of World Bank and International Monetary Fund policies. Free streaming video available at www.workingtv.com/real/real158.html

Democracy à la Maude.

Dir. Patricia Kearns. 61 minutes. Bullfrog Films, 1998.

Canadian Maude Barlow is a grassroots organizer who has waged successful battles against globalization, NAFTA and media consolidation.

Distress Signals: An Investigation of Global Television.

Dir. John Walker. 55 minutes. First Run Icarus Films, 1991.

America's number two export is entertainment. Looks at attitudes and inequalities, use and misuse of the medium.

Drowned Out: We Can't Wish Them Away.

Dir. Franny Armstrong. 75 minutes. Bullfrog Films, 2002.

Indian villagers endure hunger strikes, police brutality and a six-year court case to prevent the displacement of 16 million people to make way for the Narmada Dam.

The Electronic Curtain.

Dir. Walther Grotenhuis. 52 minutes. First Run Icarus Films, 1997.

Follows the journey of an unemployed Rumanian worker, as he attempts to defeat the new electronic surveillance system and cross the German border into Western Europe.

The Emperor's New Clothes: A Cautionary Tale of Free Trade.

Dir. Magnus Isaacson. 53 minutes. Bullfrog Films, 1995.

Effects of economic globalization on workers in Canada, the United States, and Mexico, before, during and after the signing of NAFTA.

Fear and Learning at Hoover Elementary.

Dir. Laura Angelica Simón. 53 minutes. Josepha Producciones, 1997.

A teacher and Mexican immigrant at a Los Angeles elementary school explores the ramifications of Proposition 187, which denies health care and public education to undocumented immigrants.

For Man Must Work: Or the End of Work.

Dir. Jean-Claude Bürger. 52 minutes. First Run Icarus Films, 2001.

As human resources continue to be replaced by technology, this film asks if the inevitable result is an economic apartheid, where a third of humanity is unemployed, bringing an end to work as we know it.

Free Markets for Free Men.

Dir. Sue Clayton and Jonathan Curling. 52 minutes. First Run Icarus Films, 1986.

Examines how the fluctuations of the futures markets negatively affects the economies of commodity-producing countries such as Brazil.

The Global Banquet.

Dir. Anne Macksoud and John Ankele. 50 minutes. Maryknoll World Productions, 2001.

Ethical and economic perspectives on the globalization of the world food supply.

Global Village or Global Pillage.

Dir. Andrea Hubbell. 28 minutes. South End Press, 1999.

Shows constructive ways ordinary people around the world are addressing the impact of globalization on their communities, workplaces, and environments. Free streaming video available at www.tappedintotheearth.com/html/video.html

Globalization and Human Rights.

Dir. Rory O'Connor and Danny Schechter. 57 minutes. Globalvision Inc., 1998.

Examines the impact of globalization and its links to human rights, asking whether it is possible for profits and principles to coexist.

The Golf War.

Dir. Jen Schradie and Matt DeVries. 39 minutes. Bullfrog Films, 1999.

Philippine villagers resist the transformation of their farmland into a tourist resort, sparking a national battle over land and revolution.

Japan Dreaming.

Dir. Sue Clayton. 58 minutes. First Run Icarus Films, 1991.

Technological journey through Japan's culture and changing landscape.

King for a Day.

Dir. Alex Gabbay. 34 minutes. Bullfrog Films, 2001.

A Bangladeshi journalist follows the arrangements for the arrival of President Bill Clinton in March 2000, attempting to discover what the common man really feels about President Clinton's visit.

Life. (Series).

Dir. Steve Bradshaw. 30 24-minute episodes. Bullfrog Films, 2000.

The effect of globalization on ordinary people throughout the world.

Episodes: *Life: The Story So Far*- how the globalized world economy affects ordinary people.

Geraldo Off-Line-globalization affects Brazilian factory worker. *From Docklands to Dhaka*-

British doctor improves community health in Bangladesh. *An Act of Faith: The Phelophepa*

Health Train-health care tour of South Africa. *The Philadelphia Story*-effect of globalization on

American jobs. *The Boxer*-Mexican youth attempts to escape poverty through a U.S. boxing career. *Seattle Syndrome*-rights and wrongs of WTO protestors. *The Right to Choose*-rights of women in Ethiopia and northern Nigeria. *At the End of a Gun: Women and War*-effects on women of Sri Lankan civil war. *The Summit*-UN General Assembly reviews social justice worldwide. *All Different, All Equal*-global progress in women's rights. *India Inhales*-Indian activists fight foreign tobacco. *The Silver Age*-growing elderly population requires care. *The Cost of Living*-AIDS drugs unaffordable in developing countries. *The Posse*-Sao Paulo music group raps about social problems. *Credit Where Credit Is Due*-micro-loans to villagers in Bangladesh. *Regopstaan's Dream*-Bushmen fight for ancestral land in South Africa. *Untouchable?*-the caste system in India. *Because They're Worth It*-micro-loans, education and health information for poor Chinese. *For a Few Pennies More*-iodine deficiency in Indonesia. *In the Name of Honor*-Kurdish women's rights in Northern Iraq. *God Among the Children*-at-risk youth in Boston. *Without Rights*-Palestinians denied human rights. *Lost Generations*-poor health and poverty in India. *Educating Lucia*-odds against female education in Zimbabwe. *A-OK?*-vitamin A distribution programs in Guatemala and Ghana. *Bolivian Blues*-new initiatives to reduce poverty. *The Outsiders*-moral and economic dilemmas of Ukrainian adolescents. *The Debt Police*-debt relief and internal corruption in Uganda. *The On-going Story*-international commitment to linking aid and human rights.

Life and Debt.

Dir. Stephanie Black. 90 minutes.

New Yorker Films, 2001.

Follows Jamaica's economic decline since gaining independence in the 1960s. World Bank and IMF funds, multinational corporations complicate the picture. Narration by Jamaica Kincaid.

Maquila: A Tale of Two Mexicos.

Dir. Saul Landau and Sonia Angulo. 55 minutes. Cinema Guild, 2000.

Contrasts Mexican countryside with industrial border zones, plus an investigation into a large number of murders of poor women in these areas.

Mobile World.

Dir. Jean-Michel Mariou, Francine Raymond and Jean-Paul Gerouard. 49 minutes. First Run Icarus Films, 2000.

Scrutiny of the current telecommunications revolution, from the use of multicultural images in technology marketing to the widening digital divide.

The New Rulers of the World.

Dir. Alan Lowery. 53 minutes. Bullfrog Films, 2001.

Journalist John Pilger investigates Indonesia as a microcosm of the effects of globalization around the world.

Not for Sale.

Dir. Mark Dworkin and Melissa Young. 31 minutes. Bullfrog Films, 2002.

Examines the new corporate practice of patenting life forms, airing the views of farmers, indigenous people, and anti-globalization activists who oppose patents on life.

Our Friends at the Bank.

Dir. Peter Chappell. 85 minutes. First Run Icarus Films, 1997.

Follows World Bank and International Monetary Fund decision-makers in Uganda, showing how top-level decisions are made in the field.

The Spectre of Hope.

Dir. Paul Carlin. 52 minutes. First Run Icarus Films, 2001.

Critic and writer John Berger discusses photographer Sebastião Salgado's portraits of people around the world who have been forced from their homes and traditions to cities and refugee camps.

Sweating for a T-Shirt.

Dir. Medea Benjamin. 24 minutes. Global Exchange, 1999.

Visits T-shirt factories in Honduras, interviewing both workers and industry representatives.

T-Shirt Travels: A Documentary on Secondhand Clothes and Third World Debt in Zambia.

Dir. Shantha Bloemen. 60 minutes. Filmmakers Library (educational use only), 2001.

Tracks workers in the informal economy of Zambia who make their living trading in secondhand clothing from the U.S.

Trinkets and Beads.

Dir. Christopher Walker. 52 minutes. First Run Icarus Films, 1996.

Indigenous rainforest peoples of eastern Ecuador battle international oil company exploitation. Explores the controversial role of evangelical missionaries' attempts to "civilize" the Ecuadorans.

Working Women of the World.

Dir. Marie France Collard. 53 minutes. First Run Icarus Films, 2000.

Focusing on Levi Strauss and Co., examines the relocation of factories from Western countries to nations like Indonesia, the Philippines, and Turkey, where wages are low and employee rights are nonexistent.

Worlds Out of Time.

Dir. Peter Hesseldahl and Jes Stein Pedersen. 48 minutes. First Run Icarus Films, 1995.

The widespread encroachment of western consumerism into other cultures via the mass media.
